## RED WINE

#### Berri Estates Merlot, South-Eastern Australia

The Merlot grapes, sourced exclusively from Riverland and Sunraysia, were harvested at night to ensure retention of the maximum freshness and fruit flavours. Fermented in stainless steel, a portion of the blend has contact with oak to give an added dimension of spiciness to the plummy fruit and soft tannins, so typical of Merlot

#### Short Mile Bay Shiraz, South-Eastern Australia

Deep-coloured and full-bodied with lots of rich berry fruit on the palate and a pinch of pepper spice so typical of Shiraz

#### Nederburg The Manor Cabernet Sauvignon, Western Cape

Grapes are sourced from Paarl and Wellington vineyards in the Western Cape, plated on granitic soils with southerly – facing slopes. Upon completion of the malolactic fermentation, the wine is matured in oak for a period of approximately 12 months. Shows an abundance of ripe berry and dark chocolate aromas with nuances of oak in the background; ripe fruit and delicate oak spice flavours, firm tannins and a lingering finish

#### Faustino VII Rioja

A Rioja which has spent only a brief period of time in oak casks before bottling to give the wine more roundness as well as a subtle touch of oak on the palate to balance the lively fresh fruit flavours.

#### Rare Vineyards Malbec, Pays d’Oc

Malbec has recently become appreciated by the discerning wine-drinker looking for something a little different. Malbec’s home is in south-west France as this velvety, overtly fruity wine with violet aromas and some spice on the palate.

## WHITE WINE

#### Parini Pinot Grigio delle Venezie

Distinctive nose of wild flowers, with touches of honey and banana; dry, but not excessively so, soft, fresh and lively with notes of ripe pear.

#### Short Mile Bay Sauvignon Blanc, South-Eastern Australia

The Sauvignon Blanc grapes for this wine are just picked at the point of ripeness to preserve the variety’s fresh, aromatic style. Clean tropical notes of passion fruit and a herbaceous grassy lift followed by a crisp finish.

#### Mill Cellars Chardonnay, South-Eastern Australia

A fruit filled ‘Aussie’ Chardonnay with a very light touch of oak contact and bottled early to retain the freshness. Fresh citrusy flavours on the nose and palate backed by crisp acidity on the finish.

#### Nobilo Southern Rivers Sauvignon Blanc, East Coast

A fresh grassy – gooseberry Sauvignon Blanc from the East Coast region; Cool fermented in stainless steel and bottled early to maintain freshness and fruit.

#### Nederburg The Manor Chenin Blanc, Western Cape

The grapes were hand-harvested from trellised and bush vineyards across the Western Cape. At the winery, the juice is allowed a short period of skin contact for added aromatic expression; fermentation takes place in stainless steel at low temperate and the wine is aged for five months. Fresh and crisp with aromas of pineapple, peach and guava, well-balanced with delicate layers of ripe fruit on the finish.

## ROSÉ WINE

#### Rugged Ridge Zinfandel Rosé, California

Medium-sweet pink with sweet raspberry, watermelon and strawberry fruit.

#### Parini Pinot Grigio Rosé delle Venezie

Soft coppery-pink colour; delicate and fruity bouquet; soft and fresh on the palate.
